To through his inestimable service to the University and to unnumbered individual students, Dr. Wiley has won the respect and admiration of the students and members of the University. By the application of individual interest in his students, he guides rather than drives them to serious thought and study. Showing his pupils the problems of the past, comparing these with problems of the future, he has become known throughout the South as a writer, lecturer and professor. How well we will remember his enthusiasm, his versatility, and his ability. It is with sincere appreciation of his service and profound admiration of his sterling character that we dedicate to him this volume of the Ole Miss.

Dedication

Administration

Governor Paul B. Johnson, Governor of the State of Mississippi and President of the Board of Trustees. Willing to fight for what he thinks right, willing to remove those unfit to remain on the Board of Trustees, he is continuously working for the betterment of education in the state. We pay our respects to him.

BOARD OF TRUSTEES

Operating upon a full-time schedule, faced with the problem of war and its complications, the Board of Trustees gives more of its time and efforts this year than ever before. Composed of fifteen members, the Board meets quarterly. The great increase in the growth and ability of the college since its founding is hard to realize, and even today few of us would recognize the members of the Board, would we see them on the campus, but by working quietly and efficiently, they have given to the college all those things which have made Ole Miss one of the outstanding Southern colleges.

Chancellor Alfred Benjamin Butts, on military leave of absence since July 1, 1942. Sensing his duty to his country, he secured military leave and is now Lieutenant Colonel with the Judge Advocate General's Department, Army of the United States. His position is now being filled ably by Acting Chancellor Alfred Hume.

THE LAW BUILDING

WE LOOK to the past and see what is gone. We know the story of the University Grey's, the days of reconstruction, the gay '90's, and the world war. Through all this there stands the University seeking to help and to educate the people of Mississippi. At times the faculty was small with little hopes of becoming larger, but by hard work and sacrifice, they were able to give to the University a good, well-rounded group of professors. But the past is gone, and it holds no fears for us, only yesterday's memories.

FULTON CHAPEL

WE LIVE in the present, but dream of the past or future, for the present holds nothing but chaos and disorder. Our lives disrupted, we hesitate. But out of all this there stands a group of men willing and seeking to help us adjust ourselves to the way of life. Here are the Deans and the Professors —our friends and servants. With their calm assured ways they seek to guide and help. At times we seem to disdain their help, but our lack of experience and knowledge is with us always, and we turn to them.

THE GEOLOGY BUILDING

HAVING LIVED through three wars, living through its fourth war, the University will remain a monument to those seeking higher education. But what of the future changes? The answer we do not know, but whatever the changes, the administration will be seeking to further the cause of higher education. Always their work will be remembered, their faces recalled. So we face the future and fear nothing, for we have partaken of the knowledge of our guides, and their skills have been imparted to us.

The Executive Council composed of certain organization officers and other elected members is large enough to represent the entire student body, yet small enough to present a compact body. Fourteen members plus the president of the student body make up the personnel. The council, not content with merely creating a Student War Committee sponsored several drives all of them being successful. At mid-semester the president of the student body, Hermann Baxter, left school to gain a commission in the Army, his job being taken over by Jack Pigott. The council continued its policy of war efforts as set up under Baxter, and was very successful. At the beginning of the year the Council realized the need for some kind of united war effort on the part of the students. To create this, the Executive Council brought into being a Student War Committee, whose purpose was to sponsor war drives and bring about a more united war effort on the part of the students.

WOMEN'S GOVERNMENT

Acting as a sub-unit to the Executive Council, the Women's Student Government Association is the governing body of the women students. The faculty has granted the Association the power to control some matters of women's government—matters not under the control of the University authorities or the dormitory management. The Association is a member of the National Inter-collegiate Association of Women Students, and also of the Mississippi Intercollegiate Women's Student Government Association Authority is vested in an executive council, which is elected by vote, with changes being made by student petition. Each woman is a member of the Association and is required to be familiar with its rules and regulations.

PUBLICATIONS BOARD

Composed of eight faculty members, and the four publications heads, the Publications Board has done excellent work in the past few years. This can be witnessed by the high standards set by the Mississippian and the Yearbook. The board is divided into two committees, each committee having control of one publication. These committees seek to help, rather than control the publications, for their primary purpose is to guarantee democratic leadership and efficient operation of the campus publication.

MISSISSIPPIAN

. . . . *Covers the Campus*

The very considerable job of covering the local and international news and informing public opinion does not prevent the staffs from spending long hours in the Union Building playing, singing, and coke guzzling. Though the Business Staff maintains financial control over the Editorial Staff, relations between the two sides are comradely. So between Wilson and McCarty the staffs rush to beat the deadline—do—and come out every Friday with a good Mississippian.

HELLENIC COUNCIL

Dulaney Williamson | Barner Stevens | Ray Fant | Harton Perry | Park Johnson | Gerald Biggart | Congdon Hamley

The Pan-Hellenic Council is composed of the seven sorority presidents, and two members from each sorority, with officers of the organization being chosen by rotation. The Ole Miss Council is a member of the National Pan-Hellenic Council. The regular meeting time is the first Tuesday of each month. The Council is the sponsorer of the annual Home-coming decorations that the sororities display, and gives the winner a large trophy. The council also has a scholarship banquet with the sororities being seated according to their scholastic rating. As the primary purpose of this organization is to promote harmony among the sororities, the council makes rules and regulations concerning the rushing, and limits the number of pledges per sorority. Not to omit the non-sorority women completely the council has a tea each year where all new women students are guests. So on the first Tuesday of each month the girls gather to discuss their problems, the weather, men, and things in general. Yet out of this chaos comes a rather efficient and workable set of rules and regulations, and some surprisingly good work by the Council.

Organized in 1927 to act as hosts to visiting teams the Cardinal Club has become one of the most useful organizations on the campus. It supervises the building of the annual bonfire, disciplines the freshmen, and sponsors the Outstanding Freshman Award. After important campus games the Club sponsors a dance, with the funds giving the University a gift—beautiful and useful, as evidenced by the many gifts and monuments on the campus. The Club is composed of Sophomore men, selected their Freshman year. One from each fraternity, and two from the student body. The president of the Club is a former member, chosen to serve as prexy his junior year. The Club selects a sponsor each year, picking one of the outstanding and attractive girls on the campus. This year they honored Sara Blewett McGehee. Having one of the roughest initiations on the campus, the club has long been famed for its ability to haze new members. New members are chosen near mid-year and initiation takes place sometimes in February.

Finding itself seriously hampered by the lack of an instructor at the beginning of school, the band began a search for someone eligible for the position. Their past instructor gone into the army, the band chose Milton Perry to become the member's instructor and leader. Regaining some former semblance of the past membership, the band began to work and by the opening of the football season had become so well organized that they were able to continue with their flashy drills and thrilling shows—it was the work of those unheard of people, the officers, and the instructor. Doing as well as any paid professional instructor, Perry was instrumental in keeping the band alive and functioning. The band has thrilled spectators all over the South, giving again a new an different show at each game. Highlight of the drills were the huge American flag at the State game, and the star drill at the Arkansas game. This star was formed by the members, then the lights were extinguished, and the members lit flares, forming a huge and perfect star. Always squeezing, sometimes rather closely, their definite lack of money sometimes proved a handicap, but never an excuse.

Featuring a new drum majorette this year, the band heard many a round of applause upon its going onto the field. As of past, there was Violett Mulvenna Wood, but her famed sister, Muriel, was no longer twirling for the band. So with only one national champion, a new drum major, a new drum majorette, and a new instructor, the band reorganized after mid-semester, and gave performances. The work and worries of the band were large, but outstanding accomplishments were the result.

BETA ZETA

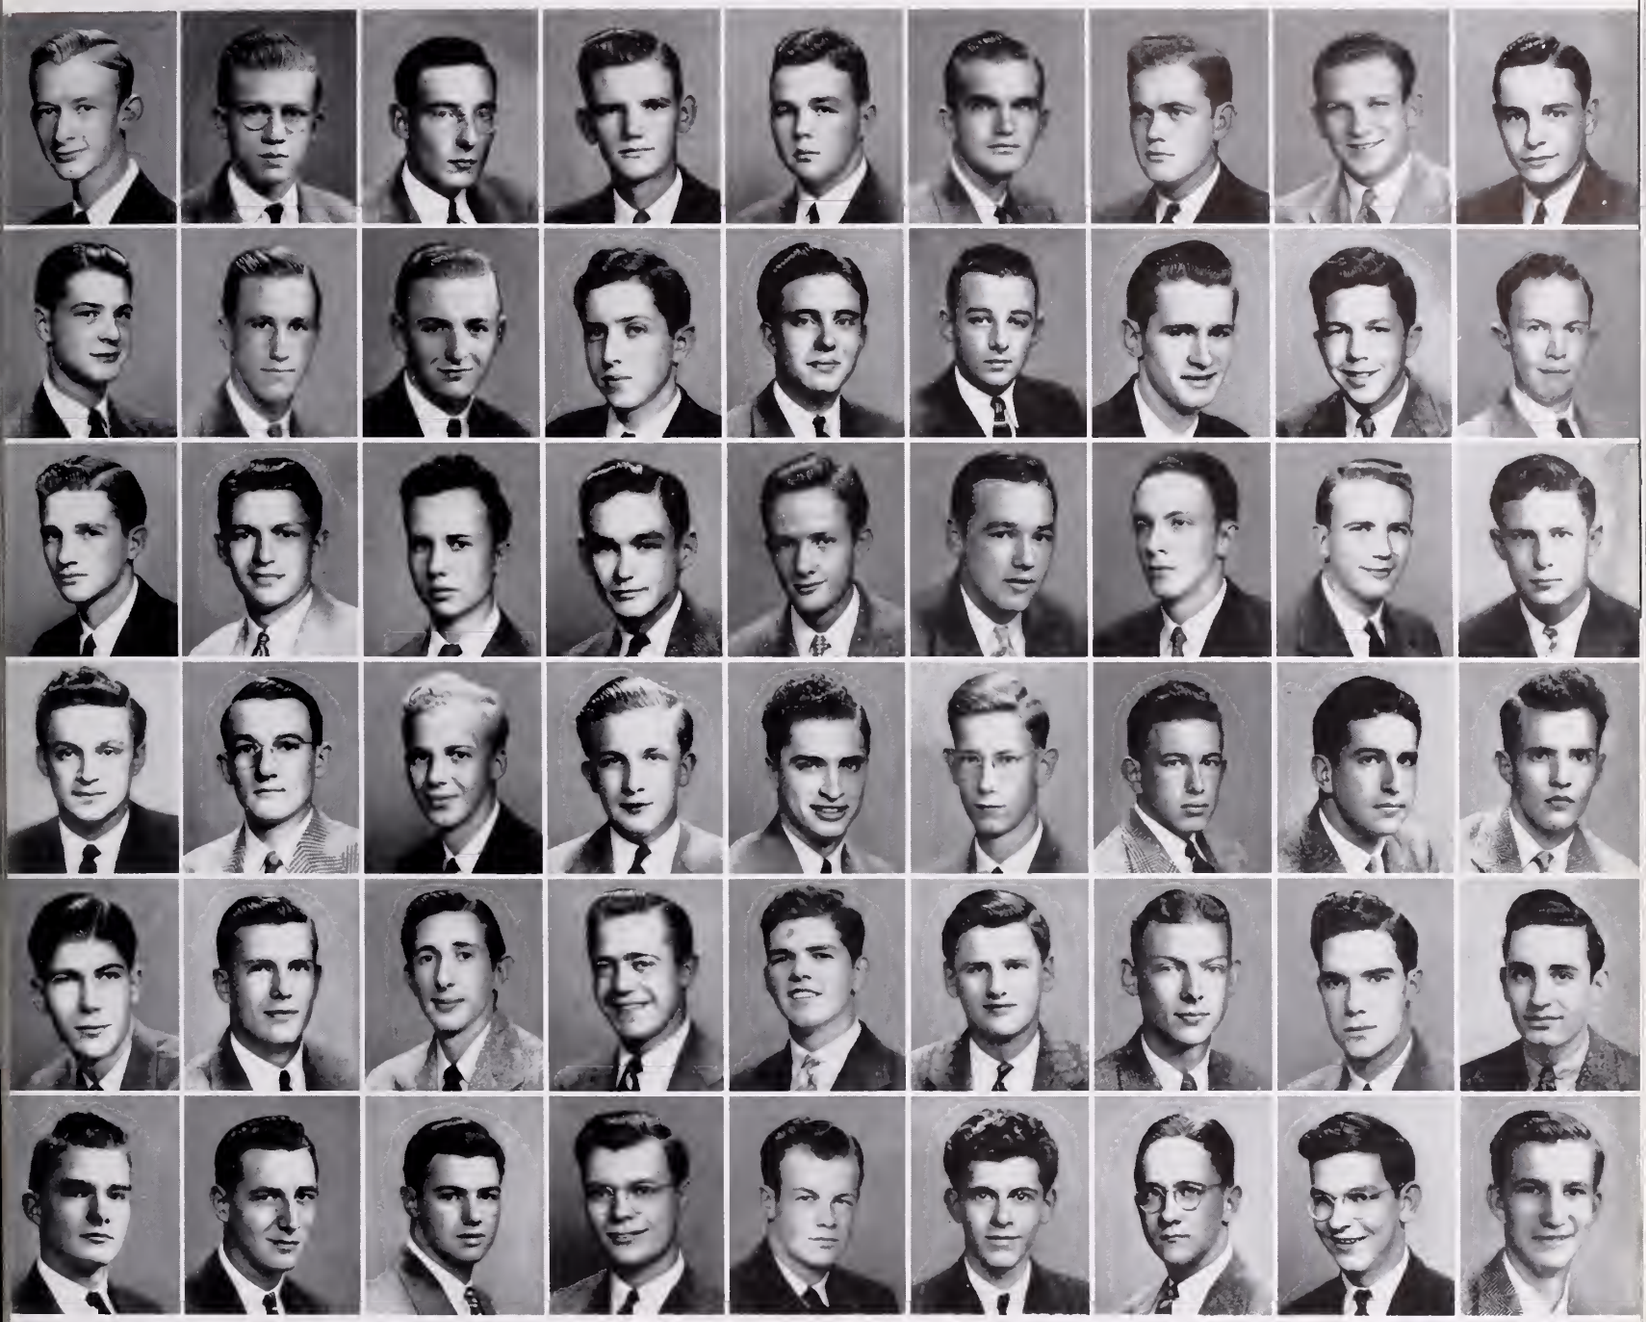

Coming into its own several years ago as a member of the National Beta Zeta, this organization furnishes stimuli necessary to provoke members of the band into good and efficient actions. It is composed of selected men from the band and is one of the highest honored organizations on the campus. Members are chosen after two years work in the band and having displayed the necessary characteristics of leadership. The officers are: Milton Perry, President; Harvey Henderson, Vice-President; Joe Williams, Secretary; and Lon Taylor, Treasurer.

(5) The bonfire before the big game. (6) Taylor thumbs MacLendon's nose at the world. (7) Sorority rush dates or free food. (8) Striet, world famous lecturer and author. (9) Ole Miss failed to stop this play of Ga. (10) Trippett gives out with a statement.

Above: (1) Registration, where everyone tries to get no eights and all classrooms with Southern exposures. (2) Rebs enjoy a hike, but whither they go, whence they came, nobody knows.

Below: (1) Pledge meetings, where new members show their knowledge of the fraternity. (2) "Ptomaine Domain" where only the healthy dare to enter. (3) Fulton Chapel where speeches are made, announcements are made, and the students get up lessons for the coming class. (4) The Dekes gather around to hear a comment upon life by a brother.

HOW DO YOU STUDY

Have you ever noticed the many different ways there are to study? There is the attentive, the go-off-in-a-corner alone together way, the relaxed-for-a-minute, the bull session, and the 4:30 p.m. cramming. Which are you?

December 10 - 1942

Mr. Ben Bowie
Editor, "Ole Miss"
Box 158
University, Mississippi

My dear Mr. Bowie:

I was very happy to select the five beauties.

My selections are:

1. Lee Anderson
2. Helen Pigford
3. Jim Alice Cockrell
4. Martha Jean McBee
5. Dollie Lucille Hughes

All the girls were exceptionally lovely and being limited to choosing only five girls, made the task most difficult. Either the girls are becoming lovelier or after all these years I am slowly succumbing to "beauty blindness".

I sincerely hope my choice will meet with the approval of those who have had the great privilege of seeing these young ladies in person.

Sincerely yours,

Earl Carroll

BEAUTY

Beauty as selected by Mr. Earl Carroll. Out of the twenty-five girls selected as favorites by the student body, these five have the honor of being the most beautiful of beautiful Southern girls. So it is with pardonable pride that we present to you our beauties and favorites.

Miss Ole Miss and Colonel Rebel, Bette Congdon and Robert Yandell. Elected
By the students of Ole Miss to reign as king and queen of the campus.

UNDERCLASS LEADERS

AS SELECTED BY THE ANNUAL STAFF

Not being seniors, not having a chance to give as much time and effort to activities, we think these students of the Freshman and Sophomore class should be recognized. Promising to be the leaders of tomorrow they are the underclassmen of today. Taking part in football, Y.M.C.A. and Y.W.C.A. work, organizations, and other activities, these personalities are soon to be the recognized leaders.

UNITED STATES ARMY OFFICERS

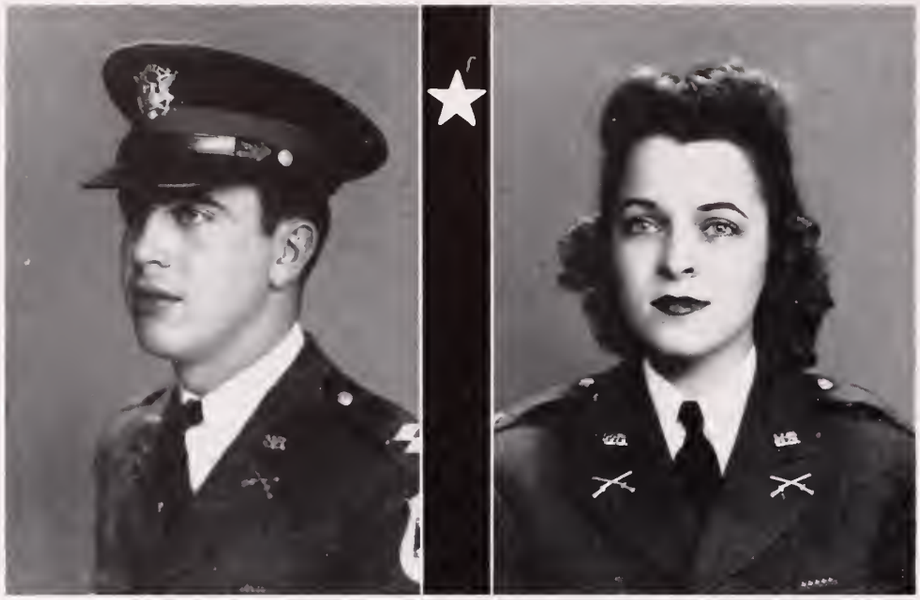

COLONEL GREGORY HOISINGTON

FIRST LIEUTENANT MOFFITT

Due to the illness of Colonel Hoisington, the burden of running the Military Department fell upon the shoulders of Major Quarles. In this he was assisted by Lieutenants Ellis and Moffitt. These men gave the best of their knowledge and skill, and more than met the high standards set up by preceding officers. Upon the return of Colonel Hoisington, Major Quarles transferred, being replaced by Lieutenant Moffitt, and at the same time Lieutenant Ellis left, being replaced by Lieutenant Nevin.

Lieutenant Ellis explains the machine gun.

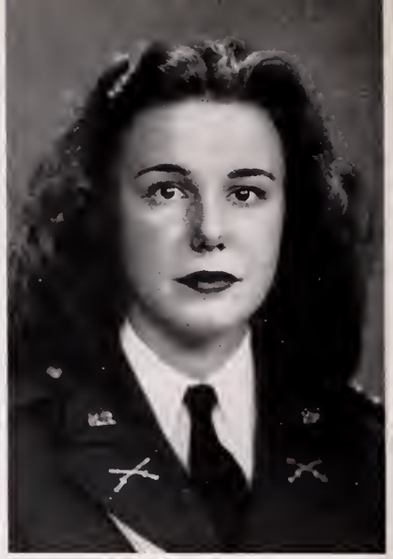

This year more than ever before there has been a need for good, well-trained officers, and the Military Department here has turned out many capable and efficient men. Ever since its founding here six years ago, the Department has held the highest honor rating possible, thereby entitling the students to wear on their sleeves the blue star signifying excellence in training.

COMPANY A

Commanded by Hermann Baxter and having for its executive officer Billy Sampson, Company A was in one of its best years. The platoon commanders were: first platoon, John Wright; second platoon, Albert Wilson; and third platoon, Tol Thomas. The company's claim to fame is based upon its ability to do more exercise than any other company on the field.

HAROLD BROWNSTEIN,
Captain of Company "B."

SYLVIA BROWNSTEIN,
Sponsor of Company "B."

Kirk, Stickney, Benoist, Bowie

Commanded by Harold Brownstein, and having John Kirk for its executive officer, Company B was one of the best companys on the field. Its platoon leaders were: first platoon, Louis Benoist; second platoon, Ellis Stickney; and third platoon, Ben Bowie. The high point of the Company's year was the winning of the rifle markmanship competition.

COMPANY B

COMPANY C

Commanded by Billy Roberds, and having for its executive officer, Howard McLain, Company C was full of justified pride. Its platoon commanders were: first platoon, Walter Scott; second platoon, Joel Wood; and third platoon, Arthur Whitten. No other company could drill at close order quite so good as could this company, for none was as good.

WILLIAM WRIGHT,
Captain of Company "D."

CATHRINE OLDEN,
Sponsor of Company "D."

Williams, Moses, Haile, Robinson, Cannella.

Commanded by William Wright, and having for its executive officer, Albert Cannella, Company D entered its third year of existence. Its platoon commanders were: first platoon, Oliver Robinson; second platoon, Charles Haile; and third platoon, Albert Moses. Possibly the newest company on the field, but it caused many another company trouble in drill.

COMPANY D

THE BAND

Commanded by Alex Hulett, and having for its platoon commanders Henry Dancy Roberts, and Frazier Furr, the Band was in its best year. Numbering thirty-six men, it was able to afford music for all occasions, and yet the men found time to play and still become one of the best drilled companies on the field, both in close order and extended order.

ALEX HULETT,
Captain of the Band.

MARY EDNA BROWN,
Sponsor of the Band.

THE MILITARY BALL

Climaxing the year at the University is the Military Ball. This year, given earlier than usual, the Ball was many of the senior's last dance at the University. The gym was decorated along military lines, and many distinguished visitors were present. As a grand finally to the ball, the sponsors of the battalion and companies with their dates were presented to the University and guests.

THE COACHING STAFF

Coach Harry Mehre, his assistants, Goat Hale, Wobble Davidson, Joe Dildy, and Tad Smith must be credited with doing a masterful job this past season. True, games were lost, but a greater victory was won over the odds of defeatism and overwhelming manpower. If nothing more than the scores were scanned then Ole Miss had a bad year, but deeper than this goes the spirit, the hopes of the students behind the team, and the will of the team to win. Our losses this year was the Armed Forces gain, for over thirty athletes are now in service; putting into use the will to win against all odds, taught on the gridiron of Ole Miss. Even the coaches went into the service, for by the middle of February only Mehre and Hale were left to continue athletics.

WESTERN KENTUCKY TEACHERS

The Rebels of Ole Miss opened the season with a 39 to 6 victory over the Western Kentucky Teachers. Led by their sophomore star, Charlie Conerly, the Rebs scored the first marker in just four plays. Scoring for the Rebels were Thorsey, Woodward, Smith, Yandell and Thibault. Frank Thorsey, the lankey Yankee from Connecticut showed excellent form in scoring two of the Rebel tallies. In the line the three veterans, Wood, Britt, and Meyers, constantly tore gapping holes in the Kentucky forewall for our offensive to function. Scoring for Kentucky on a 91 yard sprint was Lou Cullen—the only threat of their offensive. Showing promise for the coming games, the Rebs seemed to be up to the standards of former years.

GEORGETOWN

Journeying to Washington for their next game, the Rebels battled the Georgetown Hoyas, but met with defeat. Even after the impressive start over last week's rival, the Rebs found themselves on the short end of a 14 to 6 score. Finding the Hoyas too fast and deceptive, the Rebels gained only 7 first downs to the Hoyas 14. Leading the attack were Yandell and Jones. In the line Bernacchi and Wood stood out, tearing holes in the forward wall of Georgetown time and time again. Tired by the long trip North, playing their first night game of the season, the Rebs were sadly in need of more seasoning. So with one win and one loss, they about-faced and came home to play Georgia the coming week end.

GEORGIA GAME

With the season well under way, the Rebels find themselves facing the South's finest team. Led by All-American, Frankie Sinkwich, and an equally adept Charlie Trippe, Georgia's powerhouse and Rose Bowl Champs scored seven times on the outplayed, outnumbered Rebs. Today for the first time the grandstand quarterback could see what reserve strength meant. Britt and Conerly kept the defeat from being a white-wash with two spectacular runs. Britt scrambling 60 yards with an intercepted pass and Conerly on a fast deceptive play running 81 yards to score our second and last tally.

L. S. U. GAME

With Yandell on the sidelines nursing a hip injury and Conerly put on ice in the first quarter with a broken nose, the Rebels saw the breaks go against them to lose to the Bengals by the score of 21 to 7. Troubled by injuries the Rebs were powerless to keep the Bengals in hand. Stagg brought back to mind the days of Red Hovius, and his L. S. U. rampages, when he gathered in a Tiger kick in the second quarter and scampered 57 yards for the Red and Blue's only score. Britt playing in the line and kicking extra points was doing more than his share of ruining opposing plays.

ARKANSAS GAME

For the second time in a span of three years the Porkers defeated the Rebels by a one point margin, coming from behind to do it. The Rebs score came with Conerly carrying the ball to the three and Fid Jones taking it over. Britt's kick was blocked, which proved to be the decisive point in the game. For Arkansas was able to score and the spectators saw Cialone calmly kick the extra point, giving the Porkers the lead in a 7 to 6 score. So ended the game's scoring.

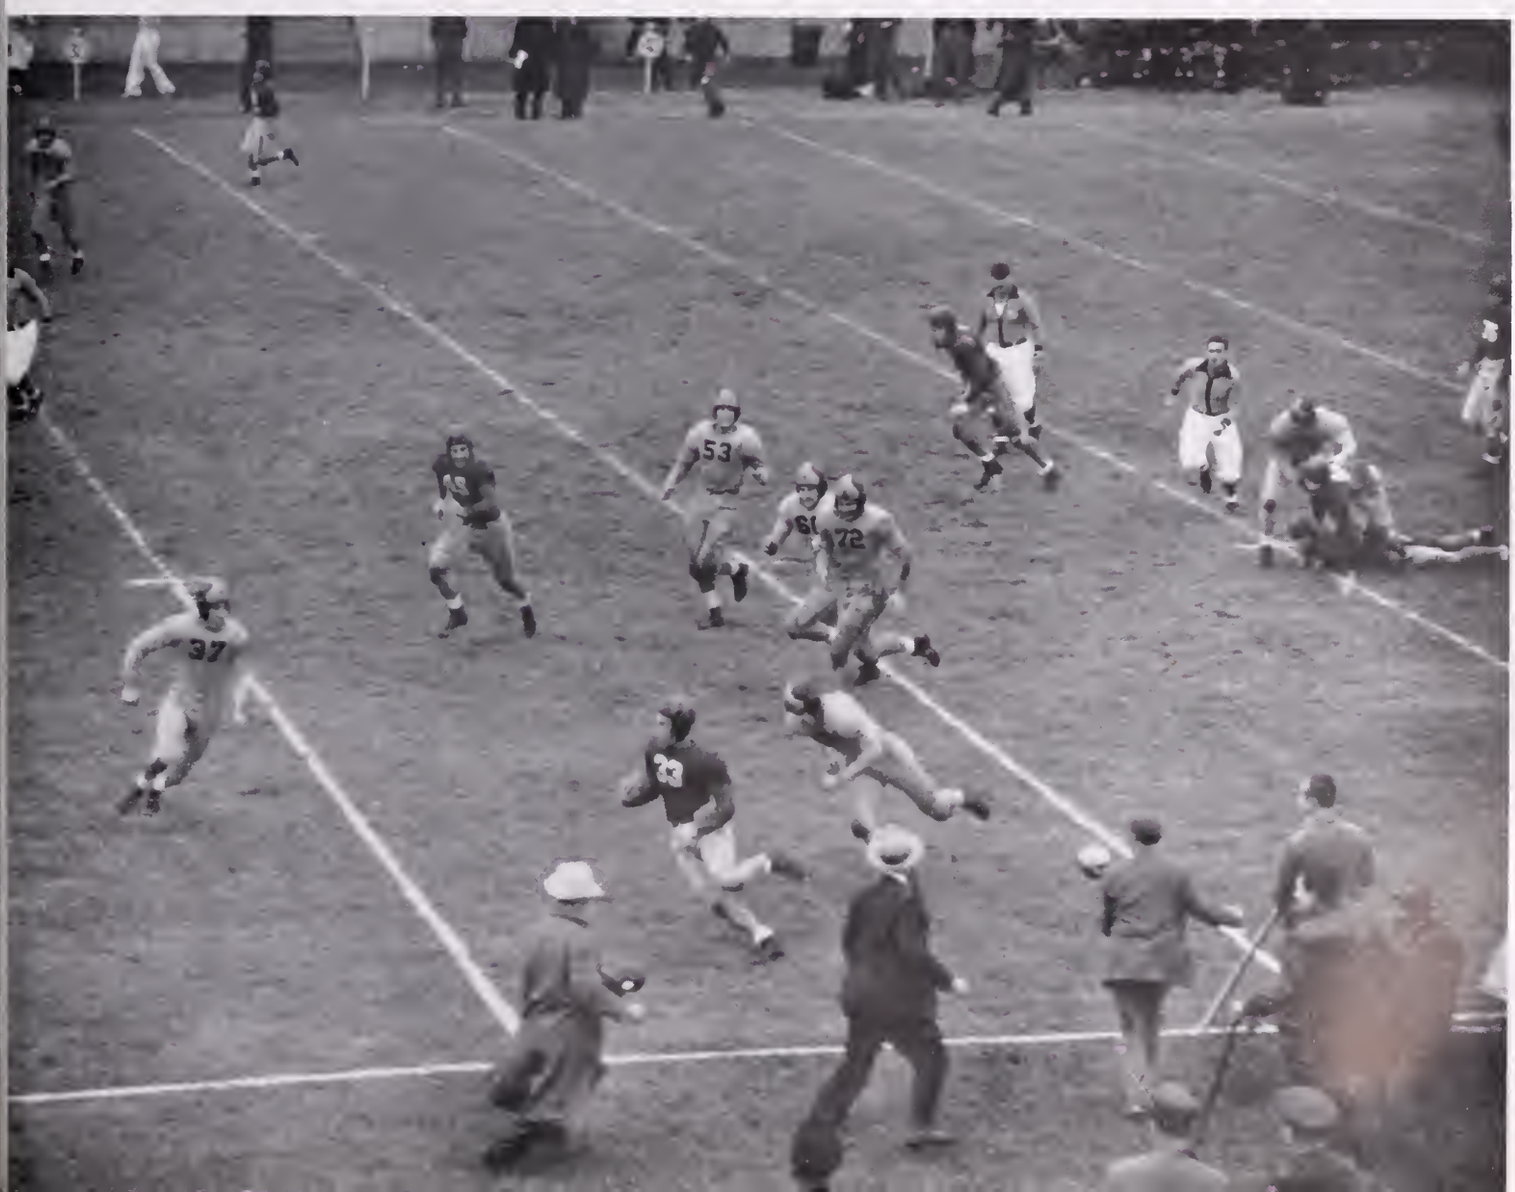

MEMPHIS STATE

The men of the Red and Blue ended a four game losing streak by swamping the Memphis State Tigers to a tune of 48 to 0. Stagg and Conerly were the stars of the afternoon, with little Leonard Stagg making 3 of the markers. Scoring for the Rebs were Ray Poole, 12 points, Stagg, 18 points, and Thibault, 12 points. Honey Britt with an unerring toe booted 6 out of 7 extra points during the course of the game. Freshman "Sonny Boy" Shelby showed off his talents when he passed to Stagg to score the last touchdown of the first half. The boys from Memphis threatened one time only, when Fibiano got loose on a spinner and had pay dirt in sight, only to be hauled down by Miller on the 48. So past mid-season finds the Rebs with 2 wins and 4 losses, with three conference games left.

Thibault heads for trouble.

VANDERBILT GAME

Seeking their first conference win of the season, the Rebels invaded Memphis to play Vanderbilt. With Webb and Woodward out, Britt nursing a hurt elbow, superior manpower proved to be the difference between victory and defeat. On a muddy field, Vanderbilt defeated the Ole Miss Rebels 19 to 0. The Rebels backs were a constant threat, and at times it seemed as if the Ole Miss squad might earn an upset, but Vandy had the breaks and all the Reb gains were of no avail. Even in defeat, though, Captain Dan Wood showed championship technique in breaking up Vandy offense, both on the ground and in the air. Fumbles were frequent, but the Vandy boys seemed to have a larger supply of glue than Harry's boys.

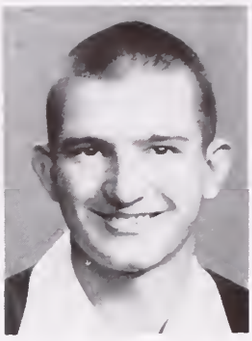

Stagg stops the play.

Conerly stops one the hard way—on him.

TENNESSEE GAME

Underdogs and weak with injuries the Rebs journeyed back to Memphis to be defeated by Tennessee 14 to 0. Given little more than a chance to play the whole game, the Rebs surprised many a person by holding the supposedly powerful Tennesseans to a mere two touchdowns. Britt and Wood, playing 60 minute ball games, never seemed to tire of throwing backs for losses. Stagg was the offensive star for the Rebs.

But it fell short anyway.

MISSISSIPPI STATE

Seeking revenge for the past year's upset, the team met Mississippi State at Starkville in their last game of the season. Scoring the first touchdown, the Red and Blue was in a position for the South's biggest upset of the day. Daly set up the first touchdown of the Rebels by an 18 yard run. Greenich moved the ball to the 12 on the next play. Several plays later Greenich plunged over for the first tally of the game. But by the end of the half the score stood 14 to 14. Coming back the second half the Rebs were worn down, again needing reserve strength, and by the final whistle, fans saw the score read 34 to 14 in favor of State. Never in the whole season had the team played harder with every player giving all he had. So ended the season 2 wins 7 losses.

MISSISSIPPI STATE

Perhaps the worst season in the history of football at Ole Miss. Perhaps the worsts defeats of any team in the country. Perhaps not quite a banner year for Ole Miss. But what of the team, the boys who played, the students and the fans behind the team? Who was the outstanding player of the year? Stagg, Britt, Wood, Conerly, Thorsey, Poole, Yandell, Jones? All will be remembered and thought of as men. Becoming more avid boosters of the Rebels as the season progressed the students saw their team take defeat after defeat, but theirs were the shouts of the unconquered and they were behind the team all the way.

Pay dirt for State.

BASKETBALL

Pounding the floor for Ole Miss was one of the best teams in four years. Playing a full time schedule, the team started the season with little practice, but improving as the season wore on, they held their losses down to 6 and boosted their wins to 8 in conference games. Coached the first time this year by Coach Hale, the team had the spirit and fire, to become a recognized contender for the best team in the South. Leading the scoring was Ray Poole, but Ray Woodward ran close second. Anchor man was Ray Poole, being flanked by Henson and Davis on the guard positions. Davis forced out of the game at mid-season by an operation, was replaced by McCain, who proved to be more than just a reliable understudy. Captained by Ed Henson, the team was well rounded, and lost only on the breaks going against them. One of the high points of the season was when the team ran over the "Mighty" Key Field Bomers, by a score of 66 to 31. The work of Goat Hale needs praising for it was his first try at the Hardwood—well done. As usual the coaches of the teams put on good shows—tearing their hats, shouting, and missing the bench.

ON THE DIAMOND

1942 baseball at Ole Miss was not merely a season of losses, but one of bad defeats. Winning only four games out of fifteen played, the season saw heart-breaking errors go against the Rebels. Coming into his own as a pitcher this year was big Ray Poole, who pitched many of the games but saw the breaks go against him. As on the gridiron, Poole stood out; pitching in his own self-styled manner he brought many a hand from the fans. Pitching was a sore spot with the team for there was a hearty need for more pitchers. "Iron Man" Jake Propst held down the first base slot all season with no relief, and was clean-up man in the batting order. Alternating with Duke Greenich at catcher's position, Spike Spicer was the sparkplug of the team—always talking, always wise-cracking, he was one of the most valuable assets the team possessed. Most colorful of all however, was Hovious with his flashy perfected style of playing.

Eubanks' famous style.

Having only four meets the entire season, the track team fell somewhat below the expectations of the fans. Losing to Vandy, Ala., State, and Tulane, the team saw no records broken. Whatever the expectations of the fans for the team at the S. E. C. meet were, they were demolished, for this meet brought nothing worth shouting about. The outstanding man on the team was Captain Lee Catchings, who broad jumped, ran the 220 and 440, distances and dashes. Coming in a close second for versatile ability was Bill Eubanks, javelin, low and high hurdles. In the sprinting position was Billy Howard. Weight men were Wobble Davidson and

Changing coaches in mid-season, the team saw an improvement after Guy Hawthorne took over.

Golf and Tennis saw a good year at the University with the tennis team winning 6 out of its 11 games. Star player was Billy Noel, who seemed unbeatable. Coached by Dr. James Silver. As to the golf team, they had the best record of all spring sports, dropping only one out of seven engagements. Not to be lightly disposed of was Henry Metcalf, who is well known as a golfer. Winning from State twice, Louisiana Tech twice, Keesler Field and Millsaps once each, the team dropped their only loss to State. P. S.—We won all 19 holes.

INTRAMURAL COUNCIL

Organized as the body governing intramural sports, the Council was one of the most important bodies on the campus. Sensing the need for a more complete program to prepare the boys for the armed forces, the Council initiated touch football onto the campus for the first time. Finding this sport most successful, they continued with their regular program of basketball, softball, and other minor sports i.e. golf, tennis, and ping-pong. The council made up of one member from the student body and the faculty and one from each fraternity on the campus, aided by the athletic department, it was in one of its most successful years. Expanding to include all men on the campus, the Council saw the branch of the army training located at Ole Miss take part in the program. Meetings were held every week, with keys being given to the members of the council in appreciation of their time and efforts.

WOMEN'S ATHLETIC ASSOCIATION

This group of women have charge of all the sports entered into by the women at the University, not under the direct control of the various departments. The Association is under guidance of the Physical Education Department of the University. For the past six years a member of the National and State Federation of Women's Athletics, the Association has steadily grown, till it now includes over 100 members. Its officers are: Francis Patty, President; Bobbie Nett Porter, Vice-President; and Virginia Wittjen, Secretary and Treasurer. It is this organization that sponsors the girls shuffleboard, ping-pong, archery, and softball. The executive council of the body is composed of the officers, one member from each sorority, and one from the student body at large. Sports are featured all year, with the winning group being awarded trophies. Keen, but friendly rivalry is developed among the groups. Advisor to the group is Miss Ruth White, head of the Women's Department of Physical Education.

IN ACKNOWLEDGEMENT

War, unsettled conditions, lack of materials, the need for speed, a set-back at every turn—what more could have been needed to make this at the least a doubtful venture? And without the help of certain people it would have become a disastrous venture. So we remember and thank the members of the Benson Printing Co., the soldier who helped us work during the Christmas holidays, Mr. John Benson, Dan Eadie, Mr. W. A. Benson, Mr. and Mrs. Cofield, Mr. R. G. Benson, Mr. Dozier, and the members of the Publications Council.

To John Bellan and Delbert Hoseman, who worked more than duty called for, to the members of the staffs, and to those students who took more than a passing interest in the annual, we owe many sincere thanks.

THE UNIVERSITY OF MISSISSIPPI

1848 ● 1943

The University is composed of the following divisions: the College of Liberal Arts. the Schools of Law, Engineering, Education, Medicine, Pharmacy, Commerce and Business Administration, the Graduate School, and University Extension.

Splendid facilities for general and specialized education are provided by the Liberal Arts College and the Professional Schools.

SUMMER SESSION, 1943

Six Weeks' Term (for Teachers)	June 2-July 10
First Eight Weeks' Term	June 2-July 27
Second Eight Weeks' Term	July 28-September 17

Students attending both eight-week terms will be able to complete a full semester's work of eighteen hours. Courses will be offered in the College of Liberal Arts, the Graduate School, and in the Schools of Law, Business Administration and Commerce, Engineering, Pharmacy, Medicine, and Education. Recreation—Excellent athletic and recreational facilities insure ample opportunities for exercise and relaxation. An excellent swimming pool, a superb golf course, numerous tennis courts, and many indoor games provide attractions for every one.

Many years of practical experience, the finest of photographic materials, painstaking care, and a sincere desire to make the 1942 Ole Miss portray an interest and an artistry unsurpassed have been important factors in our efforts to portray for you Ole Miss and its students at their best.

It is our hope that this volume of the Ole Miss will in no small measure merit your commendation because of our thoughtful and careful attention to every photographic detail in the composition of this book.

Working with the staff and with the students on this important undertaking has for us been a genuine pleasure.
